K5-8th SUMMER CAMP

DEVOTION/PRAYER: Each day begins with Bible study and prayer.

READING: All campers will have a 30-minute designated reading time on the days that there are no scheduled field trips. This will be a great time for them to get their summer reading finished. Please make sure your child brings a book to school on those days.

WATER DAYS: Please make sure that your camper brings a bathing suit, sunscreen (if needed) & towel on all designated water days. **PLEASE LABEL EVERYTHING!** 😊

MOVIE DAYS: We will send home an order form for snacks at the movie theatre. Your child **DOES NOT HAVE** to order snack. They will have snack on campus before they leave and lunch when they return. If your child does want to order snack you will complete the order form and send in **EXACT CASH** to cover it in a Ziploc bag with your child's name on it.

REMINDERS: Please make sure you complete a permission form for hand held games. You may download it from our website. All calendars with events and times will also be on the website.

WE LOOK FORWARD TO A FUN AND BUSY SUMMER!
