

TCS GIFT BASKET FUNDRAISER

We are now collecting items to create gift baskets that will be raffled off during our PTM on Monday, October 22. The list below identifies the gift basket theme for each of the classes. We would like your help to fill the baskets. Your donations are to be new or unused items (for all you re-gifters out there), quality items, preferably not from dollar stores. Feel free to be creative and come up with goodies fitting the theme. You are welcome to make other contributions if you have items you would like to donate to be used in other baskets.

You may know someone who is willing to make a donation to one of these baskets. Other baskets will be made utilizing donated items outside the themes listed. **Donations are due by September 28** to allow time for basket assembly. There is sure to be a basket for which you or someone you know will want to purchase a raffle ticket in hopes of being the winner. Raffle tickets will go on sale for \$1 each approximately one week prior to PTM night and will also be on sale that evening. Winners do not need to be present to win. It is only necessary to have a raffle ticket placed in the box prior to last call before the drawing.

This fundraiser has been tremendously successful in previous years due to your donations and some talented ladies who assemble the baskets. When you see the completed baskets you will share in the excitement and anticipation of possibly winning one of the gift baskets packed with goodies! Your donations and participation are greatly appreciated and we wish you good luck in the drawing!

Grade/Homeroom	Teacher	Basket Theme
